Cave tubing has become one of the most popular things to do while visiting Belize. Cave tubing in Belize is like none other in the world, as Belize boasts the best natural caves and refreshing water that are ideal for this adventure. You will be guided through the rainforest for about 30 minutes to the caves branch river. You will then be taken by our tour guide on rubber floats through the spectacular cave systems of the ancient Mayans, which they regarded as a sacred underworld. You will float through the caves for about 45 minutes to an hour, viewing the amazing beauty of the caves and rock formations. It's an experience of a life time and you will not want it to end. We provide all equipments needed for this tour. Wear comfortable clothes

and footwear (no flip flops).

**DON'T FORGET TO BRING YOUR CAMERA!!!**
